

PROGRAMME AT A GLANCE

Sessions marked with a  will be webcasted and will be available to ESPID Members on the Society website www.espid.org after the Meeting.

Sessions marked with a  will include the in-session voting feature. Please use the Mobile App to cast your vote during the sessions.

Sessions marked with a  will include the ask the speaker feature. Please use the Mobile App to submit questions to the speakers during the sessions.

Sessions marked with a  will include the evaluation feature. Please use the Mobile App in order to evaluate sessions.

Sessions marked with a  will include the Oral/E-Poster "Like" feature. Please use the Mobile App in order to "Like" the best Oral or E-Poster in the Oral Sessions and E-Poster Discussion Sessions.

ESPID is pleased to continue its refreshed programme format for 2017. Each session will now be easily identified by a specific track. ESPID has ensured that each session's content (lectures, speakers, abstracts and E-Posters) is focused on science, education or both.
